

SRFS TELEINFRA

2 Way Feeder Clamp 7/8 MS

Model No.SRFSFC27_8 MS

- Anti-corrosion
- High Resistance to UV, humidity, and salt spray
- High resistance to temperature variations (from -30 c to 120 c)
- Stainless with high quality for microwave and mobile systems
- Plastic material is fiberglass Polypropylene, and has high resistance to friability
- Absolute safety for cables
- Firm, durable, and high reliability
- Quick and easy installation
- Compliant with ISO, ASTM, UL94 etc.

Material	PP
U Clamp	3mm MS
Hex Bolt	M8*40 mm
Hex Nut	M8
MS Washer	M8 1mm Thickness

Electrical & Mechanical Specifications

Clamp Type	Double Hole
Cable Size	7/8"
Mounting	M8, 3/8" or M10 Hardware
Material	Plastic Clamp – Polypropylene (PP) Metal Parts – MS Zinc Plating
Salt Spray Test	144 Hours
UV Resistance	Compliant
Surface Treatment	Polished or Passivated
Temperature	-30 °C to + 120 °C
